

CORONAVIRUS COVID-19

HEALTH & SAFETY PRECAUTIONS

THE SAFETY OF OUR CUSTOMERS AND EMPLOYEES IS PARAMOUNT. IN LIGHT OF THE COVID-19 PANDEMIC WE HAVE MADE SOME CHANGES TO OUR PROCEDURES TO ENSURE THAT THE TWICE BREWED INN REMAINS A SAFE ENVIRONMENT FOR ALL!

SOCIAL DISTANCING

We ask that all customers continue to adopt the social distancing guidelines by maintaining a distance of at least 1m from other customers whilst on our premises. For our part we have increased the distance between the tables and increased the available seating in the beer garden.

FULL TABLE SERVICE

To aid customers in their social distancing we ask that all customers refrain from approaching the bar. Our waiting staff will take both food and drink orders from your table and you will be able settle your bill with them too. Tables will need to be booked in advance for both food and drinks. Please call us on 01434 344534 to book your table (maximum time slot 2 hours).

MENUS

We will initially be running a smaller menu than usual but hope to increase the dishes available over the coming weeks. This new menu will available for dine-in and takeaway. You can view our menus on our website www.twicebrewedinn.co.uk. We will also provide QR codes at the table so you can view them on your mobile phone. Disposable printed menus will be available upon request.

HAND SANITISING

We have installed hand sanitising stations throughout the pub for the use by both our customers and employees and we have provided guidance on appropriate hand washing techniques.

EMPLOYEES

Our employees will be required to complete a daily health assessment form to confirm that they are fit for work. They have each received specialist training and support on measures to reduce the spread of infection and will be required to wear a face mask in all areas open to the public. Whilst our staff will not be required to wear gloves they will be encouraged to wash their hands frequently. Surfaces and customer touch points will be sanitised frequently by our employees including door handles, card readers etc.
